Aims and Scope

Annals of Phytomedicine (AP), is an international, peer-reviewed scientific journal, dedicated to publishing cutting edge research in all areas of phytomedicine. It will publish significant and outstanding developments in all phases of phytomedicine, thus ensuring its scientific priority. The manuscripts intended for publication shall be rigorously refereed and selected on the basis of quality and originality of the work. The journal is aimed at publishing and disseminating the innovative findings in the field of pharmacognosy, phytopharmacology, phytotherapy, chemistry of natural products, phytopharmaceuticals, biological activity of plant extracts and isolated compounds, clinical studies of standardized phytopreparations, phytotoxicity and standardization of drugs and also other related aspects within a single publication.

A BIENNIAL RESEARCH JOURNAL OF PHYTOMEDICINE

Ethical policy

Annals of phytomedicine: An International Journal intend to publish articles on a broad range of topics in the field of pharmacognosy, phytopharmacology, phytotherapy, chemistry of natural product, phytopharmaceuticals, biological activity of plant extracts and isolated compounds, clinical studies of standardized phytopreparations, phytotoxicity and standardization of drugs. Its peer review process must ensure correct, accurate, standard and authenticity of the research as it is a vital importance in the development and dissemination of knowledge of science.

Submission of a manuscript to **Annals of Phytomedicine** implies that authors have certified that the scientific work described has neither been published nor is under consideration for publication anywhere else. It also implies that the content of the manuscript has been approved by all coauthors or otherwise by competent authority of the organization where the work was carried out.

Ethics to consider

Authors

Those who have made significant contribution to the article with its conception, writing, data collection, statistical analysis, interpretation and data reporting of the study. AP highly encourages the transparency about the contributions by authors.

Originality and plagiarism

It should be entirely first hand information, *i.e.*, authors are responsible and ensure that the written article is of their own work or own words. It must not be copy of others in any aspect. It should not be plagiarized. The author must be able to provide the raw data collected for the article study as and when asked.

Acknowledgement of sources

Proper acknowledgment of the work of others must always be given.

Redundancy

The work or the study carried must not be published multiple times with any other form, Work once submitted to current journal then it should not be submitted to other journals or any other sources in any other forms.

Conflict of interest and disclosure

The author or authors must declare any conflict of interest related with the article to be published before submitting and publishing the data or the study.

Errors or false reporting

The author or authors should be whole responsible for the published work; if at all any errors or mistake found with the study or in reporting the data. It is the author's obligation to promptly notify the journal editor or publisher and cooperate with the editor to retract or correct the paper.

Hazards and human or animal subjects

Statements of compliance are required if the study involves chemicals, procedures or equipment that have any unusual hazards inherent in their use, or if it involves the use of human or animal subjects.

Case details

Studies on volunteers or patients require ethical committee approval and informed consent, which should be documented in the submitted work.

Copyright

The corresponding author signs and accepts all responsibility on behalf of any and all coauthors. Transfer of copyright to Annals of Phytomedicine of Ukaaz Publications, becomes effective if and when the article is accepted for publication.

Printing charges

All the papers submitted for publication in "Annals of Phytomedicine: An International Journal" will be charged Rs. 7,500/- per article from India and the overseas articles US\$ 200 per article. All the authors are advised to prepare the manuscript, typed in double space on one side of A4 size white paper with 9 font size in Page Maker format / MS-Word, keeping proper margins on each side.

Payments are accepted either by demand draft (DD) or online transfer in favour of "**Annals of Phytomedicine-Ukaaz Publications**", payable at Hyderabad, Telangana State, India.
